Declaration

Takii Europe B.V. hereby declares, under its sole responsibility, that the packaging placed on the market by Takii Europe B.V. complies with the applicable requirements of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR), insofar as such requirements are applicable at the time the packaging is placed on the Union market.

The conformity assessment has been carried out in accordance with the applicable provisions of Regulation (EU) 2025/40.

Compliance with Substance Requirements

Takii Europe B.V. confirms that its packaging complies with the applicable legal requirements relating to substances in packaging, including applicable restrictions concerning heavy metals and other regulated substances under relevant European legislation. Compliance is based on supplier information, technical documentation and other available compliance evidence.

Technical Documentation

Technical documentation supporting the conformity of the packaging has been established and is maintained by Takii Europe B.V. in accordance with the applicable requirements of Regulation (EU) 2025/40.

The technical documentation may include supplier declarations, material specifications, technical data sheets, product specifications, test reports and other relevant compliance records.

Such documentation is retained by Takii Europe B.V. and will be made available to competent market surveillance authorities upon duly justified request and to the extent required by applicable law.

Approved on behalf of Takii Europe B.V.
